Flood restoration
Pressure washing
Cleaning

About us

General Manager
Anuja Samarakoon

Client Service Manager
Sanujee Perera

Tidy Hands Facility Services Pty Ltd was founded in 2019 by Anuja Samarakoon, starting as a small business serving local shops and offices and gradually scaling to be a trusted provider to over 50 clients across Melbourne. What set us apart from the beginning was our focus on consistent quality, reliability, and attention to detail. That same commitment is what helped us grow into a trusted commercial cleaning provider across Victoria.

As our client base expanded, so did our team. With the addition of Sanujee Perera as Client Service Manager, we strengthened our customer relationships and service delivery even further.

Today, Tidy Hands has completed 600+ projects across the state and proudly maintains a 4.9-star rating on Google – a reflection of the trust we’ve built and the standards we uphold.

We specialise in tailored cleaning services for:

- Medical Facilities
- Educational institutions
- Local councils
- Commercial and retail properties.

At every site, our mission is clear: to deliver spotless results with professionalism and care. Because we’re more than a cleaning company – we’re your partner in pristine workspaces.

“

Prompt response to our enquiry with an outstanding service provided!

Our space has never looked so good. Thank you to Anuja for your fantastic help with our cleaning requirements.

Rollex Medical - Owner

Your trusted partner in workspaces across Melbourne

We are small enough to deliver highly customised cleaning solutions tailored to your unique requirements, underpinned by the professional standards and commercial grade outcomes expected of a major provider.

Our mission

We are driven by three core values:

Professionalism - delivering consistent, high quality service with integrity.

Reliability - being dependable, responsive, and always on time.

Environmental responsibility - embracing sustainable practices and eco-friendly products to protect both the environment and your workplace.

These values are embedded in every aspect of our operations to ensure we provide more than just cleaning – we deliver quality cleaning and relationship outcomes for peace of mind.

Our vision

Our vision is to reshape the commercial cleaning industry by building genuine, long-term partnerships based on trust and results, not lock-in contracts.

We embrace flexible, month-to-month agreements, allowing us to prove our value with every clean.

By putting clients first and standing by our motto – “Your partner in pristine workspaces” – we strive to set a new benchmark for service excellence across Victoria.

We guarantee our clients:

24/7 availability
No lock-in contracts
Customised cleaning plans
Dedicated onsite management
Monthly client reporting
Use of industry innovations

Eco-friendly cleaning
ISO aligned safety and quality management practices
Child safe practices
Routine safety inspections
Real-time progress tracking

Our trusted clients

Our diverse client base reflects our versatility and ability to drive solutions in every cleaning situation.

Client overview

“

Professional, affordable and reliable! The guys are doing great service for our building with great communication. Especially deep cleaning from Anuja, definitely recommend it!

*Ikebana Apartments
Building Manager, Lulu Lee*

Your partner in sustainable cleaning solutions

We go to great lengths to ensure our activities are environmentally sustainable, for your benefit and for the planet. Our processes reduce environmentally harmful chemicals, conserve energy and water, increase recycling and waste minimisation and aim for continual improvement on carbon emissions, recycling and water.

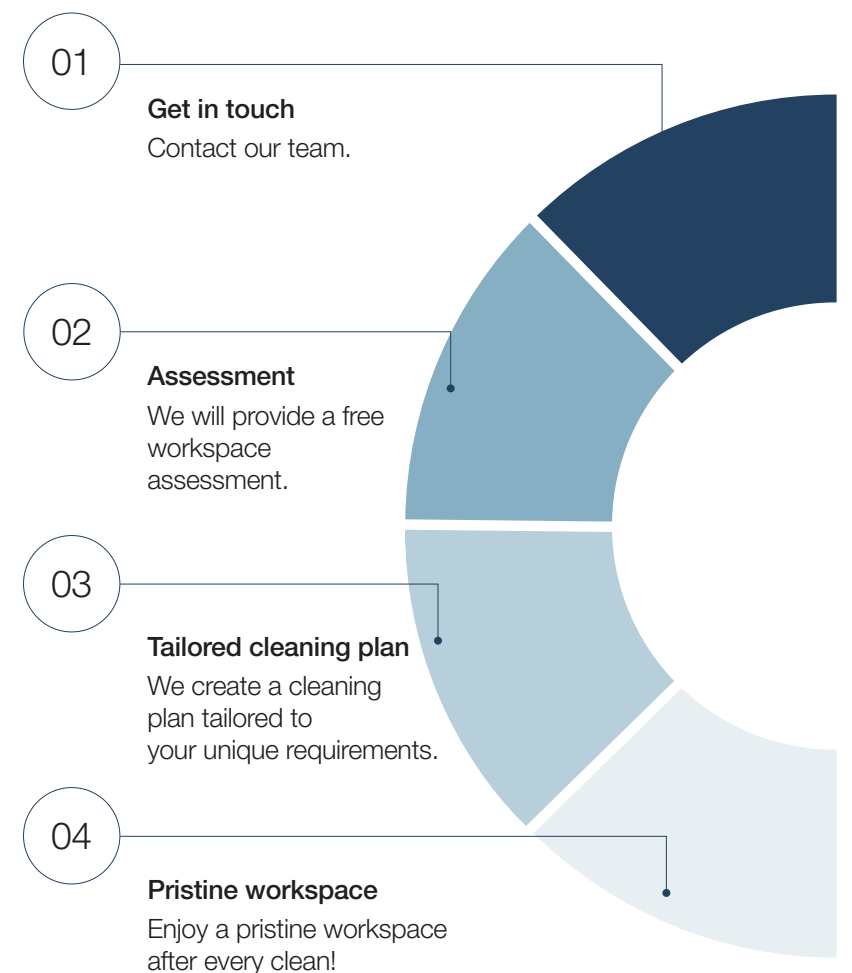

“

Professional services and prompt response to our needs. I would recommend for commercial requirements.

*Port Melbourne Snapfitness
